This matter is before the court on the parties' February 15, 2018, stipulation to correct the terms of on respondent ALAN VANCE McCALLISTER'S one-year disciplinary probation.

Paragraph E(8) on page 5 of the stipulation regarding facts, conclusions of law, and disposition that the parties entered into and that this court approved in an order filed on September 12, 2017, requires, as a condition of respondent's one-year disciplinary probation, that respondent "comply with all conditions of probation imposed in the underlying criminal matter and must so declare under penalty of perjury in conjunction with any quarterly report to be filed with the Office of Probation." It is clear that the parties erroneously included paragraph E(8) in the stipulation the court approved on September 12, 2017, because there is no underlying criminal matter in this proceeding. Accordingly, the court will approve the parties' present stipulation and correct their error.
